Dear School Administrator:

Your student _____ is a member of the Pottstown Dance Theatre Repertory Ensemble. This is the Rep Ensemble that is part of the school that went to London during the 2012 Olympic Games, is also going to the 2016 Olympic Games in Rio de Janeiro; and the Ensemble itself performed last spring at the world famous Lincoln Center in New York City. You should be proud to have this student attending your school.

On Friday, Dec. 5th, 2014, the Repertory Ensemble will be performing portions of "The Nutcracker" for many area public school students. Please accept this letter as an excused absence for this date. By supporting this effort, you help us to maintain our commitment to self-discipline that dance requires, help us keep the Tri-County Region on the world map, and allow us to give our dancers performance opportunities that are necessary to a dance education.

We invite you to attend one or both of our public performances of this event to be held at the Pottstown High School on Dec. 6th at 7:30pm or Dec. 7th at 3pm. Tickets are available at the Pottstown Dance Theatre, will be available soon on the website (www.pottstowndance.com), and at the box office upon arrival. We thank you for your support and look forward to seeing you at the performance!

Sincerely,

Michelle Jones Wurtz, Artistic Director
